MAGIC VELVET

composition

100% polyester

weight

300 g/m² ± 5%

width

142 cm ± 3 cm

seam slippage

Category A

pilling

Category A

abrasion resistance

Category A (60 000 rubs)

test of cigarette

According to PN-EN 1021-1:2014-12

Petproof

According to PN-79/P-04664

Cleaning with mild agents for upholstery maintenance. Do not wet-clean. Do not iron. Do not bleach. The hue of individual production batches of the fabric may slightly differ from the colours in the sample kit. The fabrics produced in the Cleanaboo technology limit absorption of water, so that any spilt fluid is forming drops and does not penetrate inside the fabric.
